

Thank you for your request for information on our products. I'm sure we can be of help to you with number of our products. Consider what we can offer and how we can serve you.

## PRODUCTS TO INCREASE YOUR PROFITS

AI Innovations is a wholesale only manufacturer of completed awnings (or welded frames only) decorated faces, gooseneck lighting, completed sign cabinets, and front or backlit channel letters.

## AWNINGS and SIGNS

All are manufactured to your specifications. **With four manufacturing locations to serve you**, we deliver directly to you or to the job site with our own trucks. You can now be competitively priced to earn the profits you desire.

## DECORATED FACES

What ever size, what ever substrate, and what ever method you desire AI Innovations is there to produce the product you need. **Eradication, vinyl graphics**, (On flex or rigid substrate) **large and grand format digital printing** and at prices that will surprise you.

## SALES SUPPORT

Helping you achieve success is our greatest desire. Great pricing and quick quote turnaround is the first step. Second, is to give you sales tools to help you close the sale. Our web site: [www.aiinnovations.com](http://www.aiinnovations.com) is designed to do just that. With a gallery of pictures, specs, plus links to fabrics, color charts, and generic brochures you'll have the tools to close the sale.

## OUR MISSION STATEMENT

*With dedication, integrity, and a positive attitude, AI Innovations commits itself to producing a superior product, giving personal service with a smile, and supporting our customer's efforts and goals to bring them the success they desire.*
